Docket Nos. 52-012 and 52-013
Submittal of Annual and Semi-annual Required Updates

Reference: Letter from Scott Head to Document Control Desk, "Submittal of Final Safety Analysis Report Revision 14" March 21, 2017. (U7-C-NINA-NRC-170003)

Nuclear Innovation North America LLC (NINA) submits the required update to the STP 3 & 4 FSAR and Departures Report which identifies and evaluates the departures and exemptions from the reference ABWR DCD consistent with 10 CFR 52 Appendix A, Section IV.A.2.b and regulatory requirements and guidance. There have been no Changes to the FSAR or any new departures from the referenced DCD since submittal of the Reference which remains the current revision of the FSAR and Departures Report for STP 3 & 4.

No changes to the Technical Specifications Bases have been made since issuance of the COLs.

There have been no additional significant ECCS model changes since the last annual report. Therefore this letter constitutes the NINA annual report in accordance with 10 CFR 50.46 (a)(3)(ii).

Nuclear Innovation North America LLC (NINA) also submits the schedule for completing the milestones set forth in FSAR Table 13.4S-1, including the associated estimated date for initial loading of fuel, and for implementing the transportation physical security program and the strategies developed in accordance with 10 CFR 50.54(hh)(2) as required by license condition 2.D.(13)(a) in the Unit 3 and Unit 4 Combined Operating Licenses.

There is no schedule for the start of construction and therefore there is no schedule for the

NRD

estimated completion of the milestones set forth in Table 13.4S-1 or for initial loading of fuel, and for implementing the transportation physical security program and the strategies developed in accordance with 10 CFR 50.54(hh)(2). As required by the above referenced license conditions NINA will provide the next update in 6 months.

There are no commitments in this letter.

If there are any questions regarding this submittal, please contact me at (979)824-0938, or Bill Mookhoek at (979)665-5152.

I declare under penalty of perjury that the foregoing is true and correct.
