Subject: License number 47-35081-01, Amendment of Radiation Safety Officer

To whom it may concern;

Blue Mountain, Inc. is requesting an amendment to Material License 47-35081-01 to change the current Radiation Safety Officer (RSO) for this license from Mr. Jeff Hartman to Mr. H. Douglas Peters for oversight of the current nuclear density gauges units underneath said license. Mr. Peters has completed the necessary Radiation Safety Officer Training course, conducted by the training department of Troxler Electronic Laboratories, Inc. Mr. Peters has assisted Mr. Hartman for the last two years with a variety of tasks associated with the RSO position such as leak testing, monitoring radiation activity levels, updates and upkeep to log books, organizing the calibration and maintenance of units.

Attached is Mr. Peters Certificate of Radiation Safety Officer training dated April 27, 2016.

No other amendments are needed at this time.

We thank you and appreciate your time into looking this over. Please do not hesitate to contact H. Douglas Peters through phone 304-662-6486 or at [BMI@bluemtninc.com](mailto:BMI@bluemtninc.com) if any questions should arise.

Sincerely,  
Blue Mountain, Inc.

Wanda Six  
President

Jeff Hartman  
Safety Coordinator, RSO

H. Douglas Peters  
Project Geologist

This is to acknowledge receipt of your:  Letter and/or  Application Dated: 04/04/2018

The initial processing, which included an administrative review, has been performed.  
 Amendment  Termination  New License  Renewal

There were no administrative omissions identified during our initial review.

This is to acknowledge receipt of your application for renewal of the material(s) license identified above. Your application is deemed timely filed, and accordingly, the license will not expire until final action has been taken by this office.

Your application for a new NRC license did not include your taxpayer identification number. Please complete and submit NRC Form 531, Request for Taxpayer Identification Number, located at the following link: <http://www.nrc.gov/reading-rm/doc-collections/forms/nrc531.pdf>  
 Follow the instructions on the form for submission.

The following administrative omissions have been identified:  
 [Empty box for listing omissions]

Your application has been assigned the above listed MAIL CONTROL NUMBER. When calling to inquire about this action, please refer to this control number. Your application has been forwarded to a technical reviewer. Please note that the technical review, which is normally completed within 180 days for a renewal application (90 days for all other requests), may identify additional omissions or require additional information. If you have any questions concerning the processing of your application, our contact information is listed below:
