Thomas Dean – Director CPS Training
Facility Operating License No. NPF-62
NRC Docket No. 50-461

Subject: Public Disclosure of ILT Written and Operating Test No. 2017-301

Mr. Zoia,

ILT Written and Operating Test No. 2017-301 was administered on 1/30/17 – 2/9/17. At the time of the final submittal, CPS requested that the exam materials (written and operating exam) be withheld from public disclosure for a period of two years (from 2/9/17).

CPS is requesting that all exam materials and associated forms for Operating Test No. 2017-301 be further withheld from public disclosure for an additional 6 months from the original date of 2/9/19 to allow the exam materials to be available for future ILT certification exams as necessary.

Should you have any questions concerning this letter please contact Mr. Thomas Dean, Director Site Training at (217) 937-4000 or Mr. Tony Jennings, CPS ILT Exam Author, at (217) 937-3930.

Respectfully,

A handwritten signature in blue ink, appearing to read "Thomas Dean", written over a horizontal line.

Thomas Dean
CPS Training Director
Clinton Power Station
