Mr. Pyle,

Can you please verify whether White Pine County had any comments regarding the Licensing Support Network Advisory Review Panel meeting that was held on February 27-28, 2018? I wanted to follow up with you to see if there were any comments you may have had after receiving the transcript of the meeting, and if White Pine County had any thoughts on whether any of the options discussed during the meeting were preferable to the others.

I appreciate any feedback that you can provide.

Thank you.
