RESPONSE TO ORDER TO SHOW CAUSE

This Court's Order of March 20, 2018, directed the parties to show cause why this case should not be administratively terminated upon the docket of the Court. The Order noted that such action would be without prejudice to any party seeking to reopen the case on the filing of a motion identifying the issues remaining to be litigated.

In response to the Court's Order, Intervenor Private Fuel Storage, L.L.C. states that it does not object to this case being administratively terminated upon the docket of this Court. Counsel for the Skull Valley Band of Goshute Indians, the State of Utah, the United States Nuclear Regulatory Commission and the United States of America have authorized the undersigned counsel to represent to the Court that they too do not object to this case being administratively terminated upon the docket of this Court..

Respectfully submitted,
