Docket No. 52-021
MHI Ref: UAP-HF-18002

Subject: Change in Signature Authority

With this letter, Mitsubishi Heavy Industries, Ltd. (MHI) is informing the U.S. Nuclear Regulatory Commission (NRC) of a change that took effect on April 1, 2018. MHI is making this adjustment because of personnel transfers.

Mr. Atsushi Kumaki, previously the Engineering Manager, Global Nuclear Project Department, Nuclear Energy Systems Division, Power Systems, Mitsubishi Heavy Industries, Ltd., has transferred to MHI Nuclear Systems Solution Engineering Ltd. I, Takayuki Mori, am the new Engineering Manager, Global Nuclear Project Department, Nuclear Energy Systems Division, Power Systems, at MHI and now represent MHI in all matters related to the NRC. Consequently, I am the main point of contact and have signature authority after April 1, 2018.

Please contact Mr. Joseph Tapia, Principal Consulting Engineer of the Licensing Department at MNES, if the NRC has questions concerning any aspect of this letter. His contact information is provided below.

Sincerely,

Takayuki Mori,
