The licensee requested to change the name of the license as they have changed to a for profit business. The licensee's for name was Northeast Regional Radiation oncology Network, Inc. d/b/a Community Cancer Care. After becoming a for-profit business, their named changed to NRRON, LLC. I inquired of Daniel DelGallo, Administrator, if the new name should include d/b/a Community Cancer Care. In an email dated April 11, 2018 he stated that the name Community Cancer Care had not been registered and that their new name should not include it. He stated that when he registers the business as d/b/a Community cancer Care, the licensee would amend the license accordingly.
