Dr. J

Subject: Byproduct Materials License No. 09-30973-01

03036719

REC RG 1 04 16 18 AM 06:52

Dear Mr. Lawyer:

Please amend the above referenced license to change the Radiation Safety Officer (“RSO”) listed in Condition 11 from Jace Butterworth to Olivia Rodriguez. Ms. Rodriguez was the RSO for this license before Mr. Butterworth assumed the position. She has resumed administration of the LMMFC radiation safety program and oversight of licensed radiological activities.

Documentation of her relevant training and experience, which has previously been reviewed and approved by your agency, remains on file and is available for inspection.

Should you have any questions or require additional information, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Joel M. Nagler".

Joel M. Nagler

	Licensing and/or Technical Reviewer or Branch Commercial, Industrial, R&D, & Academic Branch

This is to acknowledge receipt of your: Letter and/or Application Dated: 04/09/2018

The initial processing, which included an administrative review, has been performed.
 Amendment Termination New License Renewal

There were no administrative omissions identified during our initial review.

This is to acknowledge receipt of your application for renewal of the material(s) license identified above. Your application is deemed timely filed, and accordingly, the license will not expire until final action has been taken by this office.

Your application for a new NRC license did not include your taxpayer identification number. Please complete and submit NRC Form 531, Request for Taxpayer Identification Number, located at the following link: <http://www.nrc.gov/reading-rm/doc-collections/forms/nrc531.pdf>
Follow the instructions on the form for submission.

The following administrative omissions have been identified:

Your application has been assigned the above listed MAIL CONTROL NUMBER. When calling to inquire about this action, please refer to this control number. Your application has been forwarded to a technical reviewer. Please note that the technical review, which is normally completed within 180 days for a renewal application (90 days for all other requests), may identify additional omissions or require additional information. If you have any questions concerning the processing of your application, our contact information is listed below:
