Director of Nuclear Reactor Regulation
Attn: Jerome D. Saltzman, Chief
Antitrust & Indemnity Group
U. S. Nuclear Regulatory Commission
Washington, D.C. 20555

Gentlemen:

Re: Indemnity Fee Refund
St. Lucie Unit No. 1 and Turkey Point Unit No. 4
Operating License Nos. DPR-67 and DPR-41
Docket Nos. 50-335 and 50-251

Florida Power & Light Company's letter of January 7, 1977 (L-77-12) forwarded a check in the amount of \$66,000 covering the indemnity fee for Turkey Point Unit No. 4 (DPR-41) for the period of December 30, 1976 through December 29, 1977 (Invoice No. 44-77). Similarly, our letter of February 28, 1977 (L-77-64) forwarded a check in the amount of \$76,800 covering the indemnity fee for St. Lucie Unit No. 1 (DPR-67) for the period of February 11, 1977 through February 10, 1978 (Invoice No. 85-77).

An Amendment to 10 CFR 140.7 which became effective August 1, 1977, reduced the indemnity fee due from our Company to \$12/Mwth. Therefore, we have overpaid the Turkey Point Unit No. 4 fee for the period from August 1, 1977 through December 29, 1977 and the St. Lucie Unit No. 1 fee for the period from August 1, 1977 through February 10, 1978. The amounts overpaid were \$16,394.40 for Turkey Point and \$24,376.32 for St. Lucie. We request that these overpayments be refunded.

Yours very truly,

A handwritten signature in cursive script that reads 'R. E. Uhrig'.

Robert E. Uhrig
