Docket No. 40-3392; License No. SUB-526

**SUBJECT: HONEYWELL METROPOLIS WORKS SUPPLEMENTAL RESPONSES TO RAIs FOR
PHYSICAL PROTECTION**

On February 9, 2017, Honeywell Metropolis Works submitted to the USNRC an application for renewal of USNRC Source Materials License SUB-526; the application also included the submittal of an Environmental Report. Based on a site visit on February 6, 2018, the USNRC provided to Honeywell Supplemental Requests for Additional Information (RAI) on the following section of the License Application:

- Section 13.0 Physical Protection

This letter transmits Honeywell's supplemental responses to the following RAIs:

- RAI-1, RAI-2, RAI-5, RAI-7, RAI-11, and RAI-14

To the extent that Honeywell has identified the need for changes to the submitted License Renewal Application or its supporting documents, the enclosed RAI responses include the proposed changes in the form of mark-ups of the affected text. Please note that Honeywell intends to include the proposed changes in a future revision of the License Renewal Application or its supporting documents, as appropriate.

We hope that you find the enclosed materials to be complete and that our responses are helpful in furthering your review of Honeywell's License Renewal Application. If you have questions or comments regarding this submittal, please contact Sean Patterson at (618) 524-6341.

Sincerely,

Jeff Fulks
Plant Manager
