Mr. Cole,

I'd like to thank you for your time today, and the staff at HDR Engineering's office in Boise during the NRC inspection on April 2, 2018. As I briefly discussed this morning, the NRC has determined that no violations were identified. The attached NRC Inspection Report (NRC Form 591M) documents the results of the inspection. This does not require you to take any action and you are not required to sign it or return it. I do however request a courtesy email response from you acknowledging receipt.
