Mr. Dillman,

I'd like to thank you for your time today for our discussion of the NRC inspection of your licensed field office in Boise on April 5, 2018. As I briefly discussed this morning, the NRC has determined that no violations were identified. The attached NRC Inspection Report (NRC Form 591M) documents the results of the inspection. This does not require you to take any action and you are not required to sign it or return it. I do however request a courtesy email response from you acknowledging receipt.
