Subject: Fatigue Management Report

Reference: NRC Letter BWXT and Nuclear Fuel Service Security Officer Fatigue Management Proposal, Dated August 10, 2016

Pursuant to the provisions of 10 CFR 26.717(e) Nuclear Fuel Services, Inc. (NFS) hereby submits the attached Fatigue Management Report. There were no work hour control exceptions for the period and one individual accounted for both inattentive observations. The individual is no longer employed by the contractor.

If you have any questions or require any additional information, please feel free to contact me at (423) 743-1704. Please reference our unique document identification number (24G-18-0011) in any correspondence concerning this letter.

Sincerely,

Thomas P. Evans
Security Director
Nuclear Fuel Services, Inc.
