Dear Mr. Dougherty:

This letter is sent to acknowledge receipt of your petition on behalf of the Potomac Alliance and others requesting that the Commission issue an order to suspend further action on the steam generator repair program pending preparation of an Environmental Impact Statement and completion of other requested action.

The Commission has referred your petition to the Director of Nuclear Reactor Regulation for initial consideration.

Your petition is being treated under 10 CFR 2.206 of the Commission's regulations, and accordingly, appropriate action will be taken on your petition within a reasonable time. I enclose for your information a copy of the notice that is being filed for publication with the Office of the Federal Register.

Sincerely,

Original Signed by
H. R. Denton
