Subject: RESP: RE: REQUEST FOR CLARIFICATION FOR THE QUEEN'S MEDICAL CENTER LICENSE # 53-16533-02 DOCKET # 030-14522; CONTROL # 602216

Good Morning Dale: I acknowledge receipt of your letter providing the additional information/clarification I requested.

I will only authorize material identified in Items 6.A. through 6.C. for the new location added to your license (North Hawaii Community Hospital).

I have updated the authorization for manual brachytherapy permitted by 10 CFR 35.400 and removed the sources in the table.

One additional question: In your response dated March 2, 2018 to my request for additional information, you requested removal of authorization listed under 6.F., 7.F., 8.F., and 9.F. on your license. Please submit documentation of final disposition of these sources.

If you would, please submit this information to me NLT COB Thursday, April 5, 2018 in pdf format on signed and dated letterhead. If I do not receive a response from you by COB tomorrow, I will leave Items 6.F., 7.F., 8.F., and 9.F. on your license until the requested final disposition documentation is received.

Thank you in advance for your prompt response, assistance and understanding in this matter.

Sincerely,

Ms. Jacqueline "Jackie" D. Cook
