RE: Additional information for license amendment request dated December 21, 2017
The Queen's Medical Center
NRC License No. 53-16533-02
Docket: 030-14522
Control: 602216

Ms. Cook:

This letter is providing additional information for our license request dated December 21, 2017.

- Authorized use for North Hawaii Community Hospital:
This area of use should be authorized for 10 CFR 35.100, 35.200 and 35.300. We are not requesting authorization for 10 CFR 31.11 material. To clarify, authorization on NRC license 53-16533-02, item 6. A, B and C should also be authorized at North Hawaii Community Hospital.
Item 10. C. should be amended to so that licensed material identified in Items 6.A., 6.B and 6.C. shall be used and stored only at the licensee's facilities located at The Queen's Medical Center, West Oahu Building, 91-2141, Fort Weaver Road, Ewa Beach, Hawaii (Island of Oahu) and at North Hawaii Community Hospital, 67-1125 Mamalahoa Highway, Kamuela, Hawaii, 96743
- Regarding our request to remove the sealed sources listed in the table below, we have not received or disposed of any of these source in the last 3 years. I could not locate any records for receipt or disposal of any of the sources listed below but I have only been employed at The Queen's Medical Center since August, 2015. There may have been sources received and disposed prior to that date but I am not aware of them since these records are required to be maintained for 3 years (20.2103 and 35.2040).

Please remove authorization for the following sealed sources that were authorized under 6. D, 7. D, 8. D. of our license (as listed on Amendment No. 75)

Manufacturer	Model number	Byproduct Material
3M Health Physics Services	6D6C-CA	PUBLIC
