RE: registration certificate number NR-0668-D-101-E

Hello Lymari,

You have requested the following information in order to close out the above referenced registration certificate number.

- 1) The total number of the products sold = **15,000+**

- 2) Please confirm that product is no longer commercially distributed – **Confirmed**

- 3) Please confirm that no changes were made to the product since its initial registration or last amendment. If changes have been made, please provide the new information for inclusion in the inactive certificate. – **No changes were made**

Kind Regards,
