Ms. Roman,

As a result of the last teleconference with the ASLB on April 6th, please see Powertech's further response to your March 16th Approach for a site survey at the Dewey-Burdock Project. Please let us know if you have any additional questions.

Sincerely,

John

John M. Mays

Subject: NRC's approach to identify historic, cultural, and religious site at the Dewey-Burdock in situ-uranium recovery project

Mr. John Mays,

Attached you will find an electronic copy of the NRC's approach to identify historic, cultural, and religious site at the Dewey-Burdock in situ-uranium recovery project. A hardcopy will be provided by mail as well.

I've also attached a copy of the letter that was sent to Ms. Trina Lone Hill.

Please let me know if you have any questions. Thanks,
