Re: License No. 21-13562-01, **Ascension Crittenton Hospital**

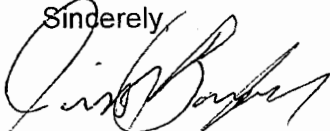

Ms. Gryglak,

I am following up with you to answer the additional questions you have as pertains to our amendment request. Below are the answers to your email questions:

- 1) state the dates of last use for each of the brachytherapy seeds that you wish to be removed from your license and that you no longer possess any of the seeds;
Answer: As pertains to this license and amendment request, the most recent use of materials was: a) I-125, 7/13/2012; b) Cs-131, 5/7/2013; c) Pd-103, N/A We do not currently possess any of these materials in our inventory.
- 2) state the method of disposal of the material (i.e. decay in storage with surveys attached, return to manufacturer and confirmation of receipt, or patient implants);
Answer: All the materials, as pertains to this amendment were implanted into the patient. We do not have any radioactive seeds in our inventory.
- 3) state the reason for an expedited request to process your request.
Answer: We have identified a patient whom we are planning to administer an I-125 prostate seed implant. We would like to be able to enter the order for the seeds by no later than May 14th, 2018.

Thank you for your consideration in this matter.

Sincerely,

Jim Boylan

Subject: Amendment request to add and remove radioactive material, NRC license no. 21-13562-01, Crittenton Hospital Medical Center

*** Attention: This is an external email. Use caution responding, opening attachments or clicking on links. ***

Mr. Boylan,

I am following up with an email after we spoke today regarding your amendment request to add material to your license. As discussed, please provide the following clarifications:

- 1) state the dates of last use for each of the brachytherapy seeds that you wish to be removed from your license and that you no longer possess any of the seeds;
- 2) state the method of disposal of the material (i.e. decay in storage with surveys attached, return to manufacturer and confirmation of receipt, or patient implants);
- 3) state the reason for an expedited request to process your request.

Please submit the requested information in a signed and dated letter by May 7, 2018. You can submit the information as a pdf attachment via email to Magdalena.Gryglak@nrc.gov.

If you have any questions, please contact me at 630-829-9875 or via email.

Sincerely,

Magdalena Gryglak
U.S. NRC Region III
