All	Throughout	Proprietary markups have been made throughout the document and are highlighted in yellow. No proprietary markings from the NRC have been removed.	The NRC staff incorporated some of the suggested proprietary markings into the final SE as deemed appropriate.
17	35 - 36	Square Brackets replaced by parentheses to avoid confusion with proprietary information	The NRC staff agrees with the editorial suggestion. Change implemented in final SE.
41	20	Typo corrected: "bundler" to "bundle."	The NRC staff agrees with the editorial suggestion. Change implemented in final SE.
51	30	Typo corrected: "Turbine Test 3" to "Turbine Test 2."	The NRC staff agrees with the editorial suggestion. Change implemented in final SE.
54	13	Removed the end of the sentence stating "that cover the pressure range of concern for BWR events within the scope of this topical report" as the pressure range indicated in the sentence does not cover the BWR range of conditions.	The NRC staff agrees with the editorial suggestion. Change implemented in final SE.
