Docket No. 50-389A

Dear Chairman Smith:

As a result of conversations with the NRC Staff which have taken place subsequent to our letter of March 11, 1977, Florida Power & Light Company agrees that the license conditions attached to our letter of March 11 may be incorporated into the construction permit for St. Lucie Unit No. 2 without modification, and without regard to the pendency or disposition of any request for an antitrust hearing in connection with the application for a construction permit for St. Lucie Unit No. 2.

Sincerely,

J. A. Bouknight, Jr.
