APPENDICES

- Appendix A North Butte Section 106 Plan
- Appendix B North Butte Wellfield Modeling Study
- Appendix C Gas Hills Groundwater Modeling
- Appendix D North Butte Surge Pond Design
- Appendix E Gas Hills Evaporation Pond Design
- Appendix F Gas Hills Drainage Basin Hydrology
- Appendix G North Butte Road Design
- Appendix H Gas Hills Road Design
- Appendix I Smith Ranch Analysis of Day, Week, and Year Classification
- Appendix J Purge Storage Reservoir No. 2 Shallow Groundwater Characterization Plan
- Appendix K Radiation Doses from Cameco's North Butte Expansion Area In-Situ Uranium Leaching Operations
- Appendix L Radiation Doses from Cameco's Smith Ranch and Reynolds Ranch Expansion Area In-Situ Uranium Leaching Operations
- Appendix M Radiation Doses from Cameco's Gas Hills Expansion Area In-Situ Uranium Leaching Operations
