Kevin Williams, Deputy Director
Division of Material Safety, State, Tribal and Rulemaking Programs
Office of Nuclear Material Safety and Safeguards
U. S. Nuclear Regulatory Commission
Washington, D.C. 20555-0001

Dear Mr. Williams:

Enclosed are the Adopted and Filed **Final** rules published in the Iowa Administrative Bulletin on April 11, 2018 as **ARC 3746C**. These rules incorporated RATS ID 2015-2, 2015-3, 2015-4, 2015-5 and comments from the letter dated March 12, 2015 from Pamela J. Henderson to Angela Leek into the Iowa Administrative Code (IAC). The Notice of Intended Action was published in the January 17, 2018 Iowa Administrative Bulletin as **ARC 3578C**. The Nuclear Regulatory Commission had five comments in a letter dated December 20, 2017 from Kevin Williams to Angela Leek. Comment number 1 regarding IAC 641-39.5 was incorporated in these final rules. Comments 2 through 5 remain open. Enclosed is a copy of ARC 3746C and ARC 3578C for your review.

We believe that the adoption and filing of these revisions satisfies the compatibility and health and safety categories established in the Office of Federal and State Materials and Environmental Programs (FSME) Procedure SA-200.

The IAC rules may be found at <https://idph.iowa.gov/radiological-health>.

If you have any questions, please feel free to contact me or Randal S. Dahlin of my staff at 515-281-0419 or randal.dahlin@idph.iowa.gov.

Sincerely,

A handwritten signature in blue ink that reads "Angela".

Angela Leek, Chief
Bureau of Radiological Health
