**SUBJECT: Notice of Parent Company Name Change**  
***Materials Testing & Inspection, LLC***  
**NRC Material License No. 11-27504-01 (Docket No. 030-33699)**  
***Consolidated Engineering Laboratories***  
**NRC Material License No. 04-29436-01 (Docket No. 030-38512)**

On October 30, 2017, your office approved the indirect transfer of control of NRC Material License No. 11-27504-01 and NRC Material License No. 04-29436-01 ("the Licenses"), held by Materials Testing & Inspection, LLC, and Quality Assurance Engineering, Inc., doing business as "Consolidated Engineering Laboratories" (collectively, the "Licensees"), to Atlas Technical Consultants Intermediate Holdco LLC. This change of control resulted from a transaction in which the Licensees were acquired by and became subsidiaries of Atlas Technical Consultants Intermediate Holdco LLC.<sup>1</sup>

This notice serves to inform you that the name of our parent company was recently changed from "Atlas Technical Consultants Intermediate Holdco LLC" to "Atlas Technical Consultants LLC."

The change was simply a name change. It does not amend the Licenses, or affect any activities conducted under the Licenses. This notice is provided for the convenience of the regulator. If there are any questions, please do not hesitate to contact the undersigned.

Sincerely,
