SUBJECT: RECEIPT OF RESPONSE TO ASLB ORDER 10-905-02-EA-BD01 DATED
FEBRUARY 22, 2011

Dear Mr. Ficek:

I am writing to confirm receipt of your letter, dated March 14, 2018. In your letter you (1) provide notification of your intent to return to U.S. Nuclear Regulatory Commission (NRC) regulated activities, (2) identify your intended employer, and (3) provide a statement regarding safety and compliance. Your letter specifically references compliance with the Atomic Safety and Licensing Board (ASLB) Order 10-905-02-EA-BD01 that was issued to you on February 22, 2011 (Agencywide Documents Action System (ADAMS) ML110530327) and identifies the order by referencing NRC enforcement letter (IA-16-047), dated October 25, 2016, in which compliance with the ASLB order at that time was addressed. Specifically, in IA-16-047 you were notified of the NRC's decision to exercise enforcement discretion in recognition of the circumstances in which your violation of the ASLB order occurred.

At this time, you are reminded that Condition 38 of the ASLB Order 10-905-02-EA-BD01 remains in effect for the 3-year period after September 2, 2017. Specifically, during this 3-year period, at least 10 days prior to beginning employment involving NRC-licensed activities you are required to provide notification to the Director, Office of Enforcement, NRC, Washington, DC 20555, of the name, address, and telephone number of the employer or the entity where you are, or will be, involved in NRC-licensed activities. Further, NRC-licensed activities are defined in paragraph 36 of the ASLB Order 10-905-02-EA-BD01.

If you have any questions regarding this matter, please contact Juan Peralta of my staff at (301) 287-9510.

Sincerely,

/RA/

Anne T. Boland, Director
Office of Enforcement
