RE: Docket ID NRC-2018-0052 Holtec International's HI-STORE Consolidated Interim Storage Facility Project for Spent Nuclear Fuel in Lea County, New Mexico

Dear NRC Representative: WE DO NOT CONSENT!

Why are we turning New Mexico into  
a Nuclear Time bomb?!

We do not consent to bringing  
High Level Nuclear Waste to  
New Mexico. Where are they going to get  
all the water that is needed?  
New Mexico is sacred land + not a  
dumping ground.
