Walter,

Below is an additional draft license condition that will be included in the MEA License Amendment. Please review the draft license condition and provide your concurrence or comments within 7 days of receipt of this e-mail.

Prior to commencement of operations in any production area, the licensee shall obtain all necessary permits, licenses, and approvals from the appropriate regulatory authorities. The licensee shall also submit a copy of all permits for its Class III underground injection wells to the NRC.

Thank you.

Regards,

*Tom Lancaster*
