Celimar

I have been visiting the factory in Israel and got back to work on your request later than expected.

While I hope to finish the response and get it sent to you on time, I would greatly appreciate a one week extension just to be on the safe side.

Thank you for your consideration.

Regards,
Brad

Good afternoon Mr. Fisher,

I just wanted to touch base with you regarding the request for additional information we sent you, dated April 23rd, 2018. As of today, we have not received a response. Can you let us know when we can expect a response to our request for additional information?

If you need more time to respond to our request for information, you may request an extension to respond to our questions.

Do not hesitate to contact me or Mr. Struckmeyer with any questions or concerns.

Thank you,
Celimar

Mr. Fisher,

Attached you will find NRC letter dated April 23, 2018, regarding your request to amend your NRC exempt distribution license no. 31-23902-01E and sealed source and device registration certificate NR-1119-D-101-E. You should get a hard copy in the mail soon.

Please let us know if you have any questions or concerns.

Thank you,
