**Subject:** Draft Marsland Expansion Area License Condition

Walter,

Below is an additional draft license condition that will be included in the MEA License Amendment. Please review the draft license condition and provide your concurrence or comments within 7 days of receipt of this e-mail.

Prior to commencement of operations in any production area, the licensee shall obtain all necessary permits, licenses, and approvals from the appropriate regulatory authorities. The licensee shall also submit a copy of all permits for its Class III underground injection wells to the NRC.

Thank you.

Regards,  
*Tom Lancaster*
