Dear Mr. Tran,

This letter is in response to our phone conversation of 9 May 2018 (request for additional information for NRC License No. 13-32832-01). As per your request, here is the follow-up letter summarizing our conversation. We are removing our request to add Xiaochun (Sean) Zhu as a licensed material supervisor, since we already have Richard Burton in that role. We are still requesting that you remove Shelby Anderson as a licensed material supervisor, since she is no longer employed at Q² Solutions. Please contact us if you have any further concerns or questions relating to this request.

Regards,

Richard Smith
