SUBJECT: FMRI, INC. RESPONSE TO NRC INSPECTION REPORT 040-07580/2018-001
AND NOTICE OF VIOLATION

Dear Mr. Compernelle:

On April 18, 2018, the U.S. Nuclear Regulatory Commission (NRC) cited FMRI, Inc. for your failure to hold meetings and maintain an agreement with the Muskogee City Fire Department. Inspection Report 040-07580/2018-001 (Agencywide Document and Access Management System [ADAMS] Accession No. ML18106A019) with enclosed Notice of Violation required you to respond in writing within 30 days. You responded by letter dated May 10, 2018 (ADAMS Accession No. ML18136A547).

After reviewing the information you provided in your response to the Notice of Violation, we have concluded that your completed and proposed corrective actions appear to adequately address the regulatory noncompliance as described in the Notice of Violation. We will review your implementation of these corrective actions during a future inspection to determine whether full compliance has been restored and whether compliance will be maintained.

In accordance with 10 CFR 2.390 of the NRC's "Agency Rules of Practice and Procedure," a copy of this letter will be made available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access Management System (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Sincerely,
