Gentlemen:

This refers to the inspection conducted by S. C. Ewald of this office on April 25, 1980 of activities authorized by NRC License Nos. DPR-32 and DPR-37 for the Surry facility, and to the discussion of our findings held with J. L. Wilson at the conclusion of the inspection.

Areas examined during this inspection are discussed in the enclosed inspection report. Enforcement action resulting from this inspection was addressed to you in correspondence from our Headquarters dated May 28, 1980.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed inspection report will be placed in the NRC's Public Document Room. If this report contains any information that you (or your contractor) believe to be proprietary, it is necessary that you make a written application within 20 days to this office to withhold such information from public disclosure. Any such application must include a full statement of the reasons on the basis of which it is claimed that the information is proprietary, and should be prepared so that proprietary information identified in the application is contained in a separate part of the document. If we do not hear from you in this regard within the specified period, the report will be placed in the Public Document Room.

Should you have any questions concerning this letter, we will be glad to discuss them with you.

Sincerely,

James P. O'Reilly
Director
