Dear Mr. Stello:

Enclosed you will find Virginia Electric and Power Company's check for \$8,000.00 in payment of the civil penalties proposed by your Notice of Proposed Imposition of Civil Penalties, dated May 28, 1980.

The penalties arise from a single incident, detailed in I&E Report Nos. 50-280/80-16 and 50-281/80-17, in which a radioactive waste shipment from the Surry Nuclear Power Plant arrived at the Chem-Nuclear disposal site at Barnwell, South Carolina with radiation levels in excess of Department of Transportation Regulations.

Our response to the I&E Report is being forwarded under separate cover to Region II (letter Serial No. 544).

Very truly yours,
