Dear Mr. Denton:

In our letter dated January 4, 1980 (Serial No. 1180), we requested that duplicate copies of incoming Nuclear Reactor Regulation correspondence be sent to the Station Managers at Surry and North Anna Power Stations.

Implementing this arrangement for correspondence has facilitated our ability to respond to your concerns in a more timely manner; therefore, we wish to continue with this arrangement.

As a result of our recent Corporate reorganization, J. L. Wilson has replaced W. L. Stewart as Station Manager at Surry Power Station. Accordingly, we request that the mailing address of correspondence addressed to Surry Power Station be revised as follows:

J. L. Wilson, Manager  
P. O. Box 315  
Surry, VA 23883

If you have any questions regarding this request, please call us.

Very truly yours,

B. R. Sylvia  
Manager-Nuclear Operations  
and Maintenance
