RE: VEPCO'S NOVEMBER 1, 1980 SUBMITTAL TO IE BULLETIN 79-01B

Attached is the original letter to our November 1, 1980 submittal to IE Bulletin 79-01B that was returned to us after it was apparently lost in the U. S. Mail system. Through conversation with Mr. Kellogg of your office, it was brought to my attention that one (1) set of the submittal was retained by your office and the remainder of the sets were sent to the I and E office in Bethesda, MD.

I hope the delay in receiving the original letter did not cause any inconvenience.

Sincerely yours,

Roy H. Hunter
