Mr. Ira Denitz
Indemnity Specialist
Anti-Trust & Indemnity Group
Nuclear Reactor Regulations
U. S. NUCLEAR REGULATORY COMMISSION
Washington DC 20555

Dear Ira:

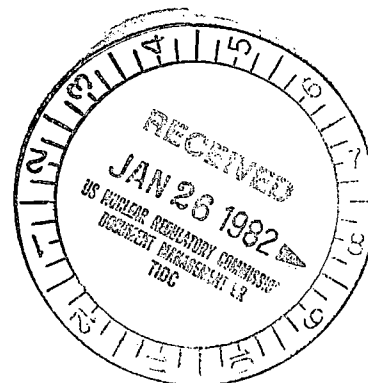

Recently, we sent you copies of renewal endorsements for VEPCO's Nuclear Liability coverage at Surry Power Station. One endorsement had not been received at that time. However, it has now been received, and we are enclosing your copies. Should you have any questions, please let us hear from you.

Yours very truly,

Bonnie
