Dear Mr. O'Reilly:

In reference to your letter dated January 4, 1982 which discussed the inspection conducted at Surry Power Station by Mr. W. H. Miller, Jr. between December 7 and December 11, 1981 and reported in inspection report nos. 50-280/81-32 and 50-281/81-32, this letter is being submitted.

Pursuant to the telecon between Mr. K. Landis of your staff and Mr. E. R. Smith, Jr. of VEPCO, this letter is being provided to request extension of the reply date from February 4, 1982 until February 12, 1982. This is being requested to allow further review of the matters involved and more concisely define the corrective actions necessary.

Your cooperation in this matter is greatly appreciated.

Very truly yours,

R. H. Leasburg
