Gentlemen:

AMENDMENT TO OPERATING LICENSES DPR-32 AND DPR-37
SURRY POWER STATION UNIT NOS. 1 AND 2
PROPOSED TECHNICAL SPECIFICATION CHANGE

Pursuant to 10 CFR 50.90, the Virginia Electric and Power Company requests an amendment, in the form of changes to the Technical Specifications, to Operating Licenses DPR-32 and DPR-37 for the Surry Power Station, Unit Nos. 1 and 2. The proposed changes are enclosed.

The proposed changes remove eight snubbers from Table 4.17-1 and revise Specification 6.4.B.1.b. Three snubbers in the Auxiliary Feed System were removed after a seismic and thermal reanalysis revealed that they could be replaced with struts. Five snubbers located on the emergency diesel generator exhaust piping were removed when a portion of the exhaust piping was removed. The Supervisor of Health Physics is added to Specification 6.4.B.1.b to increase administrative control of keys to locked barricades in high radiation areas. The proposed Technical Specification change for Table 4.17-1 is provided in Attachment 1 with a discussion of the proposed change in Attachment 2. The proposed administrative change for Specification 6.4.B.1.b is provided in Attachment 3 with a discussion of the proposed change in Attachment 4.

This request has been reviewed and approved by the Surry Station Nuclear Safety and Operating Committee and the Safety Evaluation and Control Staff. It has been determined that this request does not pose a significant hazards consideration as defined in 10 CFR 50.92 or an unreviewed safety question as defined in 10 CFR 50.59.

We have reviewed this request in accordance with the criteria in 10 CFR 170.22. Since this request involves a safety issue which the staff should be able to determine does not involve a significant hazards consideration for Unit 1 and a duplicate safety issue for Unit 2, a Class III license amendment fee and a Class I license amendment fee are required for Unit 1 and Unit 2, respectively. A check in the amount of \$4,400 is enclosed in payment of the required fees.

Very truly yours,
