Very Low-Level Radioactive Waste Scoping Study

Comment On: NRC-2018-0026-0001
Very Low-Level Radioactive Waste Scoping Study

Document: NRC-2018-0026-DRAFT-0016
Comment on FR Doc # 2018-03083

Submitter Information

Name: M. G.

General Comment

No toxic waste in is our regular trash! No matter what it is called, radioactive waste is radioactive. It does NOT belong in our trash, in our transport systems, in any place that has the slightest potential to contaminate, even a little bit, our soils and our waters. No so-called very low level radioactive waste in our waste disposal systems!
