NPF-7

Gentlemen:

VIRGINIA ELECTRIC AND POWER COMPANY
SURRY POWER STATION UNIT NOS. 1 AND 2
NORTH ANNA POWER STATION UNIT NOS. 1 AND 2
APPARENTLY FRAUDULENT PRODUCTS SOLD BY RAY MILLER, INC.

Due to additional review required regarding material supplied by Ray Miller, Inc., Vepco is unable to provide our response to I.E. Bulletin 83-07 until April 6, 1984.

Generally speaking, Vepco believes that there is no significant problem regarding the status of suspect material, the additional time requested is needed in order to accurately prepare and review our forthcoming submittal.

Very truly yours,

W. L. Stewart
W. L. Stewart
