Re: Cancellation of Radioactive Materials License No G14366
Transfer of Tritium Sealed Sources To Valco Instruments For Disposal

Dear Sir/Madam:

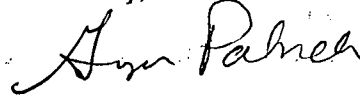

Air Products is requesting the cancellation of Radioactive Materials License No G14366 because the both registered source devices have been removed from the facility.

In accordance with NRC regulations in 10 CFR 31.5 (c) (8) I hereby notify you that on 10 May 2018, two (2) generally licensed tritium sealed source were returned to Valco Instruments :
Information about the tritium sealed sources that were transferred to Valco Instruments for disposal is given below:

Manufacturer's Name	Valco Instruments
Device Model Number Source Model #	Valco 4000 Electron Capture Cell 100 H HID
Serial Number:	8967 8969
Source Material	1000 millicuries Tritium
Sent From	Air Products Route 524 Shenandoah Road Hopewell Junction East Fishkill, NY 12533
Returned to	Valco Instruments 8300 Waterbury Houston, Texas 77055

If you have any questions regarding this information, please contact me via e-mail at patricgs@airproducts.com or at (610) 481-3354, between 7:00 am and 3:00 p.m. east coast time.

Sincerely,

Ginger S Patrick

Re: New York State Department of Health
General License Registration No. G14366
DH No. 18-226

Dear Radiation Safety Officer:

This letter serves to inform you that registration of the NYS DOH General License (GL) No. G14366 **will expire on June 16, 2018**. Enclosed please find a copy of the registration form which must be completed and submitted, along with a check or money order for the required \$100 fee, payable to the NYS Department of Health.

If your facility no longer possesses GL devices, please submit a letter requesting us to terminate this registration. Your termination request must include documentation proving that the device(s) were returned to the device manufacturer.

If I may be of assistance, please contact this office at (518) 402-7590, or:

New York State Department of Health
Bureau of Environmental Radiation Protection
Radioactive Materials Section
ESP, Corning Tower, Room 1245
