Dear Mr. O'Reilly:

Re: RII:JPO

Your letter of November 4, 1977, transmitted IE Bulletin 77-04 regarding post-LOCA PH control of containment sump water, and requested a response within 60 days.

Our Architectural Engineer has advised us that their response will not be available by the required date. Based on their proposed schedule we plan to submit our response by February 10, 1978.

Very, truly yours,

Robert E. Uhrig  
Vice President
