Very Low-Level Radioactive Waste Scoping Study

Comment On: NRC-2018-0026-0001
Very Low-Level Radioactive Waste Scoping Study

Document: NRC-2018-0026-DRAFT-0044
Comment on FR Doc # 2018-03083

Submitter Information

Name: Mary Ciesinski

General Comment

This is not acceptable. All radioactive waste needs to be contained separately from any other sort of waste. Keep it under control - please do not put our communities at risk by placing "very low-level" radioactive waste in landfills, incinerators, consumer goods, zippers or any other place. Keep it separate and keep it safe.
