Dear Ms. Jones and Dr. Esposito,

The following documents and their attachments provide your financial assurance:

Certification of Financial Assurance dated June 6, 2005 [ML051660379]

Letter of Credit dated May 16, 2005 [ML051510080]

Confirmation of Extension for Standby Letter of Credit dated July 23, 2015  
[ML15230A406]

Standby Trust Agreement dated February 7, 2012 [ML13298A055]

Trust Agreement Schedules A, B, and C [ML15314A456]

Letter of Acknowledgement dated November 30, 2015 [ML15365A311]

Decommissioning Cost Estimate dated October 2015 [ML15314A327]

A review of these Financial Assurance documents noted the following discrepancies and errors:

1. Certification of Financial Assurance (CFA) – The licensed material listed on the CFA does not match the current license (Amendment #26). In addition, the current license does not include 3750 Reservoir Road that was decommissioned or the podium at 3800 Reservoir Road; however the CFA includes these locations, which should be removed. Please revise the CFA and address the items noted above.
2. Letter of Credit (LOC) and Extension of LOC – Both documents list an outdated address for the Beneficiary (NRC). The address on the LOC should be corrected to 2100 Renaissance Boulevard, King of Prussia, PA 19406. In addition the LOC has an address for the licensee that does not match the license. Please amend the LOC to address the items noted above.
3. Schedule A of the Standby Trust Agreement (STA) lists an outdated licensee name and address that does not match the current license. Please update Schedule A of the STA to match the current license.
4. The Decommissioning Cost Estimate lists an outdated licensee name that does not match the current license. Please amend the Decommissioning Cost Estimate to the match the current licensee name.

Please review your Financial Assurance documents and submit the revisions noted above to correct the discrepancies noted. Please call with any questions.
