SUBJECT: RECEIPT OF APPLICATION FOR AMENDMENT REQUEST OF CERTIFICATE  
OF COMPLIANCE NO. 9342 FOR THE MODEL NO. VERSA-PAC –  
ACKNOWLEDGMENT LETTER

Dear Mr. Sewell:

By letter dated March 16, 2018, Daher-TLI submitted an application in accordance with Title 10 of the *Code of Federal Regulations* Part 71 to amend Certificate of Compliance No. 9342 for the Model No. Versa-Pac package per the details of the submitted revision of the safety analysis report, Revision 10. The cover letter to this request and a publicly available version of the report can be found in our agency's document database, the Agencywide Documents Access and Management System (ADAMS) in the package at Accession No. ML18087A451.

This letter acknowledges receipt of your application and informs you that the application appears to contain the necessary information to begin our technical review. We have established a schedule for the technical review of your amendment request. The schedule allows for the staff to issue a possible request for additional information (RAI) by mid-August 2018, and a certificate of revised compliance and safety evaluation report by mid-November, based on Daher-TLI responding to a RAI by the end of September 2018. The staff estimates that completing the safety review of this application will require approximately 1,500 staff review hours.

Please reference Docket No. 71-9342 in any future correspondence related to these actions. If you have any questions regarding this matter, please contact me at (301) 415-5196.

Sincerely,
