Ryan,

Draft RAI No. 3 related to Vogtle Units 3 and 4 LAR 17-024 has been approved and is issued this morning. You received draft RAI #2 on Thursday last week.

You should receive a notification from the US Army "SAFE" file access exchange website AMRDEC (as is NRCs recent practice for transmitting sensitive information) that they have a file for you to download. You will receive an email from that site allowing you to download the file. I will be informed by the AMRDEC when you have successfully downloaded this document.

As we discussed on the phone, I believe a clarification call on Thursday will be important even if everyone is not fully prepared to discuss. I propose that we discuss both draft RAIs on 5.31.18.
