re: Uranium One, Inc., Ludeman In Situ Uranium Recovery Satellite Project. Determinations of Eligibility for Properties within the Direct Area of Potential Effect (Docket Number: 040-8502) (SHPO File # 0518RLC004)

Dear Ms. Román:

Thank you for consulting with the Wyoming State Historic Preservation Office (SHPO) regarding the above referenced undertaking. We have reviewed the associated report and find the documentation meets the Secretary of the Interior's Standards for Archaeology and Historic Preservation (48 FR 44716-42). We concur with your finding that sites 48CO3009 and 48CO3027 are not eligible for listing in the National Register of Historic Places (NRHP) and no further work or protective measures are necessary.

We further concur that sites 48CO3036 and 48CO3037 are eligible for listing in the NRHP.

This letter should be retained in your files as documentation of a SHPO concurrence with your determinations of eligibility. Please refer to SHPO project #0518RLC004 on any future correspondence regarding this undertaking. If you have any questions, please contact me at 307-777-5497.

Sincerely,

A handwritten signature in blue ink, appearing to read "Richard L. Currit".
