RE: NAME change on license #21-03210-01

We are writing to inform you that, effective soon we will formally change our name to Ascension Health (still waiting to hear the formal site name – probably Ascension Health St John Hospital) from St John Hospital and Medical Center. We will send you a copy of the Certificate of Amendment to the Articles of Incorporation filed with the State of Michigan, that shows the change to the name. At that time we will have you make the appropriate changes to your records. This is JUST a name change, a re-branding, nothing else changes, not management, not staff, not activities. We simply are putting all hospitals affiliated with Ascension Health under one name for marketing/rebranding.

You have previously also received the information on my name change from Laura Smith to Laura Speer Smith and a copy of my new Drivers License if you need any further information on that, please let me know.

If you have any questions, please contact Laura Speer Smith at 586 808 3058 or [laura.smith5@ascension.org](mailto:laura.smith5@ascension.org) or [lsphysics@att.net](mailto:lsphysics@att.net)

Respectfully,

Laura T Speer Smith
