

May 30, 2018

Dear Mrs. Simmons,

This is in reference to control number 602684. You asked me for documentation indicating that the waste broker indicated they'd received the sources we sent.

I contacted Adco Services who forwarded me the letter that I have attached to this email from Alaron Nuclear services.

Please let me know if you need any more information. Thanks.

Sincerely,

Andrew Alton

**ALARON NUCLEAR SERVICES**  
2138 State Route 18  
Wampum, PA 16157

**CERTIFICATE OF LICENSE TRANSFER—LETTER OF RECEIPT.**

Alaron Nuclear Services received radioactive material on January 16, 2018 via Radioactive Waste Manifest # 17-0003 from:

Augustana University  
2001 S. Summit Avenue  
Sioux Falls, SD 57197

The material is described as Sealed Sources and contained 1.055 micro curies of Am-241, and 19.2 micro curies of Co-60.

This document certifies that the materials on the above-listed manifest were accepted for license transfer at Alaron Nuclear Services in accordance with all applicable laws, regulations, permits and licenses held by Alaron Nuclear Services.

Mr. Alton,

This email is in reference to your request to terminate your license. In order to continue our review, we need some additional information. On your NRC Form 314, you indicated that you shipped your sealed sources to Adco Services, Inc. Please submit any documentation you received from the waste broker showing that they actually received the sealed sources.

Please provide this information by May 30, 2018. Please reference mail control number 602684 in your response. Your response should be on letterhead, sign and dated. You may submit your response by email as a pdf. attachment. If you have any questions, please feel free to contact me at the number below.
