NOTIFICATION OF THE NRC OF EMPLOYEES'
POTENTIAL SAFETY ISSUES

We have received your letter dated April 27, 1989 concerning the freedom of our employees and our contractor's employees to contact the NRC with safety concerns. As you requested, we have reviewed our applicable contracts and agreements for clauses that would restrict this freedom. We have found nothing in our records that would inhibit an employee or contractor from communicating with the NRC.

Very truly yours,

W. L. Stewart
Senior Vice President - Power
